

CHEDDAR through the AGES

Baby

Baby Cheddar is the youngest of the bunch! This newborn is the freshest on the cheese board. Baby Cheddar is aged 0-1 months.

Mild

Mild Cheddar is the oldest kid on the block and has moves so smooth he'll make your heart melt. Mild Cheddar is aged 1-2 months.

Medium

Medium Cheddar is the dad of the cheddar family - he enhances everything from taco night to a cheese board with his warm simplicity! Medium Cheddar is aged 3-6 months.

Sharp

Grandpa Sharp Cheddar is the oldest in the Cheddar family and his sharp jokes get better with age! Sharp Cheddar is aged for 6-12 months.
